---

---

Rev. No.	Date	Purpose	Prepared by	Checked by	Approved by
----------	------	---------	-------------	------------	-------------

## GENERAL NOTES

- 1.0 VENDOR shall necessarily procure all the material / equipment forming permanent part of the unit / plant from OWNER / EIL approved vendors only. This shall include sub-ordered items / components also. The "Approved Vendors" shall be item specific.
- 2.0 OWNER / EIL approved vendor list for the various items is enclosed in this section.
- 3.0 VENDOR may procure material from any of OWNER / EIL approved vendors. However, current validity, holiday status and range of approval as per EIL enlistment letter, workload, stability and solvency need to be verified by the VENDOR with vendor before placement of order. VENDOR is also required to ensure that equipment qualification criteria, specified elsewhere in the bid document, are also simultaneously met.
- 4.0 Vendors on OWNER / EIL holiday list shall not be considered for ordering. VENDOR shall comply with this requirement without any time or cost implication to the OWNER. If a vendor is put on OWNER / EIL's holiday list subsequent to VENDOR placing an order, it shall be VENDOR's responsibility to ensure quality work and timely supply from the vendor.
- 5.0 For items not covered in the above list, the VENDOR shall approach OWNER / EIL for that list or the vendors list shall be approved by OWNER / EIL prior to placement or order by VENDOR. VENDOR shall list down the proposed suppliers / vendors for such items and submit the same for OWNER / EIL's review / approval along with necessary documents / credentials. "Approval status" documents / credentials to be furnished by the vendors in such cases shall solely be the responsibility of the VENDOR. OWNER / EIL's decision on above shall be final and non-negotiable. Acceptance or non-acceptance of a particular proposed vendor due to any reasons whatsoever shall not be a cause of schedule and cost implication.
- 6.0 VENDOR shall make an independent assessment of capability of all the vendors for timely deliveries of material / equipment. Any delays in deliveries by vendor(s) shall not be a cause of schedule and cost implication.
- 7.0 At any stage of the project, if it comes to the notice of OWNER / EIL that VENDOR has procured material / equipment, intentionally or unintentionally whatsoever, from an unapproved vendor and / or items not falling in approved range of vendor(s), the same shall be rejected forth with and VENDOR shall be liable to replace such material / plant / machinery without any schedule and cost implication to the OWNER.
- 8.0 List of vendors appearing anywhere else in the contract document in case of duplication of the items at two or more places shall not be considered by VENDOR and shall be superseded by the vendor list enclosed herewith. And if in this vendor list also, items seems to be duplicated / repeated then VENDOR shall get clarified the issue by OWNER / EIL before proceeding ahead for procurement activity.
- 9.0 It is understood that should the name of vendor be changed due to change in their company or corporate shareholding. OWNER may accept such vendors under its new name with prior approval.

Any such approval shall however, not absolve the VENDOR from any of his obligations under the contract; neither shall any such approval signify nominations or

instruction to use such a vendor. All approved vendors are deemed to have been freely chosen by the VENDOR at his own risk.
